Making space for faith

From the Pastor's Pen

The Music of Living

Many of you know that I've been singing this year with the Deer Creek Chorale. We've got a concert coming up on May 6 (tickets available at <https://www.brownpapertickets.com/event/3355408>, by the way!), and the music is terrific. One of the pieces is, in my mind, a prayer—and every time we sing it, I think of my prayers for the people of Good Shepherd Presbyterian. The piece is called "The Music of Living," with words and music by Dan Forrest. Here's a link for you to hear it: <https://www.youtube.com/watch?v=G7mzxmuqEmk>

And here are the words:

Giver of life, Creator of all that is lovely,
Teach me to sing the words to Your song.

I want to feel the music of living;
And not fear the sad songs
But from them make new songs
Composed of both laughter and tears.

Giver of life, Creator of all that is lovely,
Teach me to dance to the sounds of Your world.

I want to move in rhythm with Your plan.
Help me to follow Your leading,
To risk even falling,
To rise and keep trying,
For You are leading the dance.

Giver of life, Creator of all that is lovely,
Teach me to sing the words to Your song.

So that's my prayer for us, that we would sing the words of God's song, God's music of living. That we would not fear sadness and pain but be willing to let God birth in us new songs, of both laughter and tears. That we would move in rhythm with God's plan, even risking falling, for God is leading the dance.

*Giver of life, Creator of all that is lovely,
Teach this church to sing the words of Your song.*

Amen

Session Highlights - April 2018

Congregational Meeting, April 29. A special congregational meeting is called to vote for those members who are nominated to be on the Pastor Nominating Committee. These are the people who will solicit applications, review and analyze the applicants' references and documents, set up interviews and make recommendations to the session and congregation.

Rev. Gay's Service. It is hard to believe that Rev. Jeanne Gay will have been our interim pastor for a year in June. Interim pastors are hired under a one year contract and after the initial year, interim contracts are in 3 month increments until a permanent pastor is hired. Session is in the process of renewing Rev. Gay's contract for June to August.

A Safe Church for our Children and Youth. Session is currently reviewing our current policies that are designed to keep our members under the age of 18 safe. If you'd like to read the draft policies or have comments, please drop by the office.

BIBLE STUDY-LESSON 9 – In Community with all the Saints

Think of a woman (living or dead) who has had a life-changing influence on you. Make a few notes about the kind of person she was or is.

READ THE FOLLOWING: Hebrews 6:9-12; 13:24-25; 12:1-2; 11:35-40

KEY IDEA: Lesson 9 highlights the great cloud of witnesses from the past and present who show us how to live in faith and who support us in faithful living.

Shepherd's Kids

It is always a joy to spend time with the children in our community. After missing two of our meetings because of weather events, April provided fun and learning for our children. We made Resurrection Eggs to teach the children about Easter and bird feeders to focus on Earth Day. We are grateful for all those who volunteer to help with this amazing outreach. A special thanks to Jeanette Petnic and the kitchen staff...best quote from one of our children "This penne pasta is gooder than Olive Tree!"

See you for our final two nights this season: May 9 and 16

Edwin Way Teale

Happy to report another successful Easter Egg Hunt. If you missed the fun, we had about 60 children locate 3200 eggs in record time. Yes! 3200 eggs, this is not a typo. Following the search, refreshments were enjoyed by all. The ladies did a beautiful job setting up the social hall, and we had an abundance of cookies and juice. We were pleased to carry on the tradition of offering a prize of choice to every child who participated. Thank you to everyone who donated eggs, food, drink, and prizes, and who filled and hid eggs.

SPRING FLING AND YARD SALE - May 12th, 8am - 2pm

Sharing Table

The Sharing Table receives bakery donations from BJ's in Tollgate each week. The items must be picked up between the hours of 9 and 12 noon and delivered to the Prince of Peace Catholic Church for distribution the following Saturday. We currently need someone to either join a three person rotation for making the pickup on the third Friday of each month, and/or making the pickup only when there is a fifth Friday in the month, which typically happens twice each year.

Please prayerfully consider taking on this charge. Contact Bill Starke to volunteer or for more information.

Spotlight on Stewardship

STEWARDSHIP - Here we go again. They’re asking for money. Nope! This is Stewardship, but it isn’t about asking you to give money. In fact, this might even save you a little money.

Sunday, April 22 was Earth Day, so let’s think a minute about what we can do to help the earth. One way is to use a mulching blade on your lawn mower and leave the clippings on your lawn. The little pieces of grass decompose right there in place and help to improve your lawn. This assume that you mow your lawn on a regular basis. This won’t work if you let your lawn get too high between mowing’s. Or, if you insist on bagging your clippings, then put them in a compost pile. This, in time, will give you some nice compost to use in your garden
